

Panama Packing List

THINGS TO KNOW

Before you begin planning what to pack for the course, it is important to note that you will need to **dress conservatively**. It is better to be deliberately conservative in your appearance than to risk offending our hosts or anyone in the communities we visit.

Everyone has their preferred style of packing for travel, so please use this list as a helpful guide and be mindful of your own needs.

It is very important that you try to fit all of your belongings into one backpack/duffle and a daypack that you are comfortable carrying on your own. Your backpack/duffle cannot exceed 50 lbs.

DOCUMENTS & ESSENTIALS

- Passport** Your passport needs to be valid for six months after the day of arrival and have at least two blank pages. Also, bring a copy of your passport.
- Covid Vaccination Card** Original and a copy
- Health Insurance Card** Copy of front and back
- Prescription Medications** Carry medications in their original containers, clearly labeled, and make sure you have enough for the entire trip. Bring medications in your carry-on, so you will still have access to them if your luggage is delayed or lost. Consult with a travel doctor for recommendations and a prescription. Ask the physician about the possibility of obtaining prescription drugs commonly used by travelers such as Cipro and Z-packs

GEAR

- Backpack/Duffel Bag** 4- 5,000 cubic inches (65-80 liters). Bring all your clothes in just one backpack or duffle, with a few essentials in a daypack.
- Day Pack** Small, light, nylon bag with shoulder straps. This is what you'll take with you as a carry-on and on excursions. It should be big enough to hold a water bottle, headlamp or flashlight, some food, a raincoat, and a book or journal.

FOOTWEAR

- Sturdy Shoes** Bring a good pair of solid, tough, durable, closed-toed shoes for working and walking on muddy roads. These can be tennis shoes, but they should be sturdy.
- Mud Shoes** A second pair of shoes to wear when it is muddy.
- Sport Sandals** Waterproof sandals (i.e., Tevas or Chaco-style)
- Flip Flops**- These are nice to have for shower shoes

- Gold Bond/Medicated Powder** Helps avoid/treat heat rash in humid environments

SPENDING MONEY

Although the costs of the course are covered in your tuition, we recommend each student bring cash or a debit card to cover spending money and miscellaneous expenses (baggage fees, souvenirs, gifts, and snacks.) Please do not bring more than \$150 in cash. Most places are CASH ONLY. Small bills (\$1, \$5, \$10) are best. Note: We have found that prepaid debit cards do not work internationally. In addition, many small shops don't accept debit/credit cards.
